

Club Registration Form (Privacy Consent) for all new registrations.

Pursuant to the Privacy Act 1993, I consent to my above personal details being provided for entry on the national database. I authorise my Club, Regional Association and Swimming New Zealand to use such information for the administration and betterment of swimming. This information will not be given to third parties without the member's consent.

"I understand that I have full access to my details as recorded on the database at any time"

Can all clubs please add this to their current Registration forms from now on.
